

Sinclair Broadcasting's decision to push their stations to air an anti-Kerry documentary days before the election is wrong.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This blatantly partisan political act is NOT in the public interest; in fact, it is ILLEGAL.

It's also a clear example of the dangers of media consolidation. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

Please live up to your responsibility not to allow this kind of broadcasting!

Thank you.
